- If a lien holder is named on the title or registration, then a letter from the lien holder authorizing shipment from Hawaii, Guam, Saipan or Micronesia is required * please note that a letter from the lien holder does not have to be notarized.

Vehicle requirements:

- Vehicles must be operable
- All brakes including emergency brake must operate normally
- Must be currently registered for operation on public streets or highways
- Interior and exterior must be free of any debris, mud, dirt, seeds, food particles, etc
- Personal belongings have to be removed, including items in the glove box and center console
- Glass does not contain any chips or cracks
- Gas tank level must be between 1/8th and 1/4
- Remove any fire extinguishers
- Propane tanks if any are empty

PLEASE NOTE - Vehicles shipping to the MAINLAND UNITED STATES are subject to stringent inspections by the USDA prior to shipping. It is the responsibility of the shipper to have the interior and exterior of the vehicle thoroughly cleaned.

Example: The USDA looks for clumps of mud in wheel wells or under the vehicle's carriage, under the hood of vehicles is also inspected, the USDA also looks for dirt, grass, plant seeds in the interior as well as the exterior and for anything that they consider invasive to the U.S Continent. If you fail the USDA inspection we will be unable to ship your vehicle until the vehicle has been properly cleaned and re-inspected by the USDA.

* Active military personnel with out-of-state lien holders are exempt from this requirement
